 - Comments should be emailed to gaopolicy@azdoa.gov
- Implementation: July 1, 2017 or later

ASRS Fiscal Year Intent Review

- State law requires participation in the ASRS when all membership criteria are met. A.R.S. § 38-711.23(b) defines members as
 - "... all employees of an employer who are eligible for membership pursuant to section 38-727 and who are <u>engaged to work</u> at least twenty weeks in each fiscal year and at least twenty hours each week."
- At the beginning of each fiscal year, a review of these types of employees needs to be done to determine and document the employer's intent regarding ASRS 20/20 criteria
 - Intent of employment at the beginning of the new fiscal year or when a job change occurs
- Monitor employees for 20/20 criteria
 - Use "ASRS Eligibility Review (code 9) Report" in the Data Warehouse

20/20 Intent Certification

- Should be completed each fiscal year
 - Intent can change
- Filed in the employee's file
- Signed off on by someone "in the know" of the Intent

ASRS 20/20 CERTIFICATION OF EMPLOYER INTENT FOR CURRENT FISCAL YEAR

State law requires participation in the ASRS when all membership criteria are met. A.R.S. § 38-711.23(b) defines members as "... all employees of an employer who are eligible for membership pursuant to section 38-727 and who are engaged to work at least twenty weeks in each fiscal year and at least twenty hours each week."

In order to determine if a particular employee is "engaged to work 20/20", we need to understand if you intend that the employee will work 20/20 in the current fiscal year based on the terms of employment and intended duration. Consider any changes that are believed to occur in the current fiscal year. If no substantial changes to their current work hours are expected to occur, consider the employee's actual work history in the

prior fiscal year as an indicator of what they may likely work in the current fiscal year.

Once completed, send this form to your Agency Human Resources or Personnel Office for processing.

Agency H.R.: Ensure the employee's HR11 Retirement Code is appropriate given the intent indicated below. If you have any questions, please contact GAO Central Payroll at Central Payroll@azdoa.gov.

Travel Hub Reimbursement Payments

Travel Hub: AFIS/HRIS travel payment integration

What this means:

- Travel payments for employees in a regular pay status will be paid through the AFIS Travel Hub.
- Travel payments will then be recorded, but not paid, in HRIS.
- Taxable travel paid in AFIS will have a time record that will increase taxable wage and collect taxes owed from an employee on his/her next HRIS payment.

Items for Agency Payroll to note:

- Pay code 525: TRAVEL HUB PAYMENT TAXABLE (does not pay, increases taxable wage).
- Pay code 526: TRAVEL HUB PAYMENT NONTAXABLE (does not pay, informational only).
- Time record dates will reflect the date payment was made in the AFIS Travel Hub.
- Travel payments for employees not regularly paid, such as board and commission members, will still be processed in HRIS on ZR35.2.
- HRIS inbound interface runs daily, adds Travel Hub time records to batch 999
- HRIS outbound interfaces run daily, updates Travel Hub with traveler, direct deposit, supervisor, and funding data.
- Pilot program introduced on 3/20/17 for three agencies. Expansion will occur gradually over the next two years.

Important: Agencies are always responsible for the employer share of FICA taxes but may need to pay for the employee's share in circumstances such as a termination when the employee will not be receiving any additional pay. For those rare situations, GAO would collect the employee amount owed in a similar fashion as a Transit Card non payment. After confirming no additional HRIS payments are due, an AFIS IETBSPR transfer would be processed using object 6111 which would charge the agency for any taxes not recovered from the employee.

Overtime Impacts of Bonuses per U.S. Department of Labor

- Non-Discretionary (most bonuses)(must be allocated for overtime and retirement purposes)
 - Announced to employees to encourage them to work more steadily, rapidly or efficiently and bonuses designed to encourage them to remain with the facility.
 - Attendance bonuses (Retention Incentive), individual or group production bonuses (Goal Based Incentive), bonuses for quality and accuracy of work (Merit Based Incentive), bonuses contingent upon the employee's continuing employment until the time the payment is to be made (Retention Incentive). They must be included in the regular rate of pay.
- Discretionary (surprise bonus to the employee)
 - §778.211: "Sums paid in recognition of services performed during a given period if *** (a) both the fact the payment and the amount of the payment are determined at the sole discretion of the employer at or near the end of the period not pursuant to a contract, agreement or promise causing the employee to expect such payment regularly ***"
 - Discretionary in one year may not mean it is discretionary in subsequent years.
 - Not announced in advance. Fully earned when announced, such as a SPOT award.
 - Few bonuses are discretionary under FLSA.

Compensation Strategies – in June

- Deadline: bonuses should not be scheduled for the June 22nd payroll
 - If any errors occur, there is no time left to correct in FY17
 - GAO recommends any bonuses approved to be paid out of FY17 funds should be scheduled no later than the June 8th payroll
 - No Handwrites issued for bonus payments
- Please coordinate with Agency Leadership as soon as possible to ensure bonuses can be paid as intended
 - Contact GAO Central Payroll to coordinate timing

Handwrites through Fiscal Year End

- Should be kept to a minimum to avoid PEDF1 document rejects on the Document Catalog
- Travel & Other Reimbursement handwrites allowed June 21-29, 2017
 - Minimum handwrite threshold lowered from \$100 to \$10
- GAO will be verifying cash and appropriation availability in AFIS
- June 30 July 2, 2017
 - NO HANDWRITES, PLEASE PLAN AHEAD!

Benefit Arrears

ADOA is continuing to plan for the capability to track benefit arrears. Employees enrolled in benefits, but without enough pay to have a deduction, would have a pending 'one-time deduction' for the amount of the missed premium(s).

Purpose:

- Enable agencies to quickly review and monitor amounts owed through a Data Warehouse report.
- Ensure the Health Insurance Trust Fund (HITF) is collecting premiums owed for insurance coverage provided.
- Allow for consistent treatment Statewide regarding missed premiums.

Agency Payroll:

- Ensure LWOP time records are entered for an employee's regular schedule when the employee is not working or receiving paid leave.
- Ensure any outstanding one-time deductions are selected for manual warrants.
- Work with Human Resources and Benefits to ensure employee benefits are terminated timely when missed premiums are not paid by the due date.

AFIS Chart of Accounts (COA) Elements used for HRIS Labor Distribution

- AFIS COA Elements are interfaced from AFIS to HRIS on a nightly basis.
- Agencies may begin creating new FY18 COA elements in AFIS anytime.
- FY18 AFIS COA elements must be set-up (with the appropriate roll-up type) by June 14, 2017, to be mass uploaded to HRIS on June 16, 2017.
 - For assistance, see Quick Reference Guide, "Creating and Modifying Chart of Accounts Elements Related to HRIS Integration" available on the GAO website: https://gao.az.gov/sites/default/files/Creating%20COA%20for%20HRIS.pdf
- Beginning June 21, 2017, FY18 COA elements will be interfaced nightly to HRIS; FY17 COA elements will no longer be included on the interface.
- FY18 AFIS COA elements to be used on the first pay cycle of the fiscal year (July 6, 2017) must be set-up in AFIS no later than June 30, 2017.

Payroll Corrections - AFIS PEDF1 documents

- All AFIS PEDF1 documents in rejected status, must be finalized by June 30, 2017. (Please complete by June 23rd if possible).
- GAO will be monitoring PEDF1 records to ensure they are being posted in a timely manner.
- Please contact your GAO AFIS Liaison for assistance, or to discuss any compliance issues.
